End Violence. Change Lives. Give Hope.

## WOMEN'S RAPE ASSISTANCE PROGRAM PRESENTATION

WRAP partners within 19 counties in West Tennessee in an effort to end violence against all women and girls as well as men and boys. Through the work of the organization safer, more stable, more nurturing communities are realized. By partnering with survivors in their healing journey, providing them with the education, tools, and support they will indeed feel empowered to build a future for themselves and their family.

Some of the services offered for survivors include a 24/7 hotline, counseling, therapy, crisis intervention, case management, transportation assistance, confidential safe houses, rapid rehousing, rental assistance, job readiness, safety planning, parenting, resource linkage, etc.
